

### REGISTRATION FORM

We're excited that you want to come visit our farm and meet like-minded people interested in being outside in nature and learning about local food. It is our sincere hope that you will make meaningful connections.

#### ITINERARY:

Arrive Saturday afternoon at 3 pm at the Farm. Our Weed Dating event officially kicks off at 4 pm with introductions and a farm tour from Farmer Mandy. Then, after a few instructions, participants will be split into pairs to work together and get to know each other. After 20 minutes, everyone will switch partners and spend some time chatting and working with a new person. We will work together from 4-6 pm then have a hearty Farm to Table supper and socializing until 10 pm.

#### WHAT TO EXPECT:

- Any type of Alberta weather is possible: bring rain and sun clothing and sturdy footwear
- We will be on hands and knees weeding, weeding, weeding our beautiful organic vegetable crops
- Be prepared to get a little dirt-y with a rustic farm experience

#### WHAT'S INCLUDED:

- An opportunity to mix and mingle with like-minded people, and a chance to learn about local food
- A hearty supper straight from Farm to Table

#### WHAT TO BRING:

- Bug spray, sunglasses, sunscreen and a wide-brimmed hat
- Enough drinking water to get you through the day; a cooler with ice and beverages of your choice for supper
- A flexible and easy-going attitude! Life on a farm is always a little chaotic.

#### ACCOMMODATION:

Make your own arrangements if you wish at a hotel in nearby Smoky Lake, about 25 min. drive from the farm.
